

## GET INSPIRED: TAKE A VISION TOUR

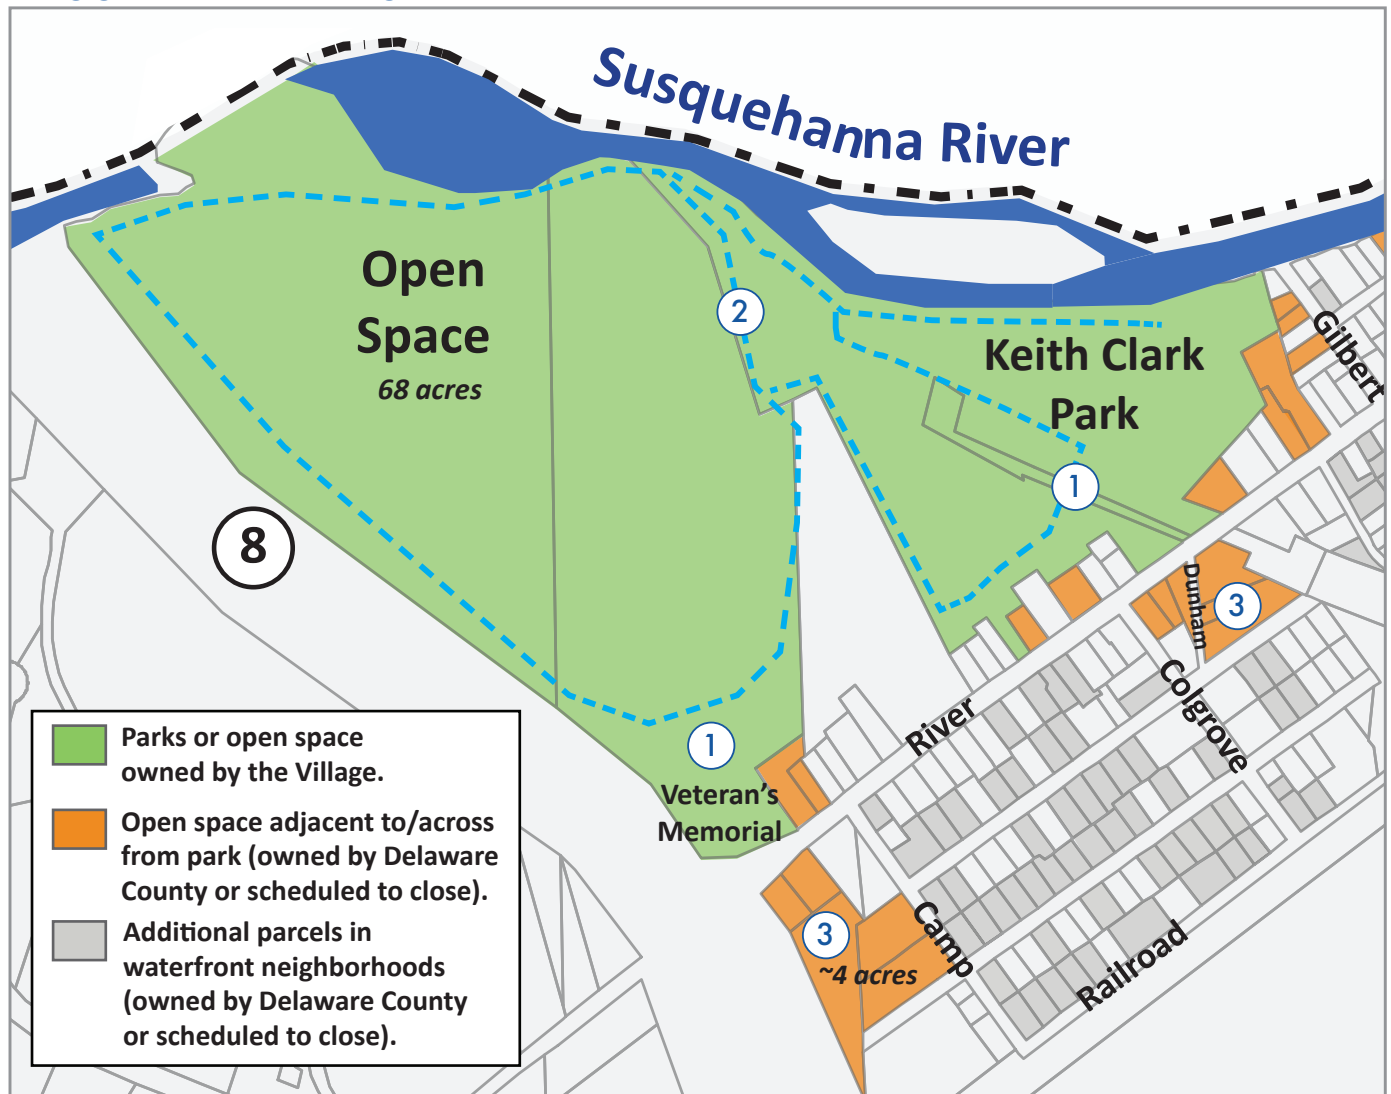

### TAKE A RIVERFRONT WALKING OR DRIVING TOUR!

*Raise your voice and share ideas - you can determine the outcome.*

- Large public meetings are not advised as the pandemic continues. In response, we have developed a short tour that you can complete on foot or by car if you would like to visit the Village's acquired open space along the riverfront (see map below). Follow up your tour by sharing your ideas by survey.
- Consider uses and activities that may benefit the Village along the riverfront. Please view open space from the road, sidewalk, parking area or trail. If you would like company, contact us for a volunteer-led, masked and socially distanced walk.
- Once you complete your tour, please complete the paper survey on the next page or online at [www.resilient-sidney.com/surveys](http://www.resilient-sidney.com/surveys). Check out the online survey on recreation and gathering spaces while you're at it! You may return the paper survey to Village Hall or email to [resilientsidney@gmail.com](mailto:resilientsidney@gmail.com).

### Suggested Touring Route

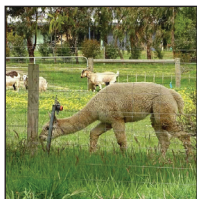

① Park at Veteran's Memorial or Keith Clark Park. The memorial area offers good views of the 68 acres of open space; the site can also be seen from Route 8.

② Follow walking paths to further view the open space donated by Sidney Community Foundation.

③ View some larger open spaces (+/- 4 acres) across from the Memorial and Keith Clark Park.

# What's Your Vision for Sidney's Riverfront?

We'd like your feedback to help kick off Envisioning Sidney's Resilient Riverfront. Please return this survey to Village Hall (21 Liberty Street) to John Redente or Clarissa Walrath or email it to [resilientsidney@gmail.com](mailto:resilientsidney@gmail.com).

Or you may complete it online at [www.resilient-sidney.com/surveys](http://www.resilient-sidney.com/surveys), where you can also take a visual preferences survey about the types of outdoor spaces and recreational uses you'd like to have in Sidney.

*"If money was no object what would you wish for along Sidney's riverfront open space?"*
